

## Palestine Solidarity Resources

### January 2024

#### **Document and report Incidents!**

[Please try to keep track of incidents at your school using this harassment log](#) created by a Cleveland NLG student. Keeping track of the details will help you remember things that can be lost in high-stress situations! If students at your school are being actively targeted for Palestinian solidarity work, report those incidents to [Palestine Legal's intake form](#). They are very busy and may need time to respond, but it will be helpful to have these incidents reported in one place!

#### **University Disciplinary Hearings:**
